

# Metal Boride and Oxide Nanosheets at the 2D Limit

Tina Salguero, Assistant Professor  
 Department of Chemistry  
 University of Georgia  
 salguero@uga.edu, 706-542-6376

Fundamental Science  
 of Low-Dimensional Systems

Novel Syntheses of  
 Perovskite Nanosheets

Nanosheet-based Dielectric Materials

High Energy Density  
 Ceramic Capacitors

Superconducting Nanosheets

Nanosheet-Based  
 Electronic Components

Layered Inorganic Hybrids

Solution Processing of Ceramics

Nanosheet-Based Liquid Crystals
