

The American Ceramic Society **Electronics Division**

CONNECT WITH YOUR INDUSTRY

WHO IS THE ELECTRONICS DIVISION? We focus on electronic materials and devices research, and explore emerging areas in nanoscience, electronic composites, and new ceramic devices.

WHAT'S IN IT FOR YOU

- Connecting with industry professionals
- Meetings, symposia, and related events to stay current
- Access to member resources and industry publications
- Leadership development opportunities
- Awards and recognition
- Access to peer-review journals
 - *Journal of The American Ceramic Society*
 - *International Journal of Applied Ceramic Technology*
 - *International Journal of Applied Glass Science*

ceramics.org/ediv

WHO IS ACERS? We are an international society serving the engineered ceramic and glass industry with more than 11,000 professional and student members in 70 countries.

The American Ceramic Society **Electronics Division . . .**

. . . HELPS YOU EXPAND YOUR NETWORK IN YOUR INDUSTRY

Flagship meeting **CONFERENCE ON ELECTRONIC AND
ADVANCED MATERIALS**
(COORGANIZED WITH BASIC SCIENCE DIVISION)

- Intimate setting allows for effective networking
- International perspective—32 countries represented
- Collaborate with other electronics industry researchers
- Present research in symposia or poster sessions
- Student awards recognize rising stars in research

PEER RECOGNITION

- Edward C. Henry Award
- Lewis C. Hoffman Scholarship
- Student Presentation Awards (judged at EAM conference)

GIVING BACK

- Student recognition and travel support
- Leadership and committee positions

BUT DON'T TAKE OUR WORD . . .

LISTEN TO WHAT OUR MEMBERS ARE SAYING:

"The greatest benefit . . . from membership in the electronics division is networking with other members, particularly at the Conference on Electronic and Advanced Materials meeting. In particular, students are of great importance to our division."

– Geoff Brennecka, Colorado School of Mines
