Health and Safety at ICACC 2022

Your health and safety are important to us. The American Ceramic Society, working in partnership with the Hilton Daytona Beach Oceanfront Resort and Ocean Center, are complying with guidance from the Centers for Disease Control and relevant state and local authorities in an effort to provide a safe and healthy environment for ICACC 2022 attendees during the ongoing COVID-19 pandemic.

However, COVID-19 is an extremely contagious disease and it is not possible to eliminate the risk of spreading or contracting COVID-19. An inherent risk of exposure to COVID-19 exists in any public place where people are present, and efforts to mitigate the risk of exposure to COVID-19 may not be sufficient to prevent spreading or contracting COVID-19.

All ICACC participants have to acknowledge and agree to ACerS' COVID-19 Release and Hold Harmless agreement <https://ceramics.org/covid-19-waiver-icacc-2022>.

The American Ceramic Society asks you NOT attend ICACC 2022 if any of the following apply:

- If you have received a positive COVID-19 test within 14 days of ICACC 2022.
- If you have experienced symptoms of COVID-19 within 14 days of ICACC 2022. COVID-19 symptoms include cough, shortness of breath, fever, chills, headache, muscle pain, sore throat, and loss of taste or smell.
- If you have been directed by Public Health to self-isolate within 14 days of ICACC 2022.
- If you have knowingly come into contact with a confirmed or suspected COVID-19 case within 14 days of ICACC 2022.
- If you are currently caring for a family member or any person who is sick or exhibiting COVID-19 symptoms or have cared for anyone who is sick or exhibiting COVID-19 symptoms within 14 days of ICACC 2022.

PROTECTING OUR PARTICIPANTS

COVID-19 Resources for ICACC 2022:

[Centers for Disease Control and Prevention \(CDC\)](#)

[World Health Organization \(WHO\)](#)

[Florida Department of Health](#)

[Daytona Beach Area Convention & Visitors Bureau](#)

Proof of Vaccination at ICACC 2022:

If you are unvaccinated, The American Ceramic Society invites you to participate in the virtual portion of our hybrid meeting.

Mask Wearing at ICACC 2022:

The American Ceramic Society will require all individuals to wear face masks during ICACC 2022, regardless of an individual's vaccination status.

Social Distancing at ICACC 2022:

The American Ceramic Society encourages participants to maintain a safe distance from another.

Cleaning and Sanitization at ICACC 2022:

Volusia County and Curative Testing Partnership - [Link to](#)

https://www.volusia.org/news/news-releases.shtml?portalProcess_dd_0_1_1=showPublicEvent&calendar_entry_id=64563

Book Appointment at curative.com or [888-702-9042](tel:888-702-9042); walk-ups will be accommodated.

Located at Midtown Cultural and Educational Center, 925 George W. Engram Blvd., Daytona Beach. The mobile site will operate from 9 a.m. to 5 p.m. Monday through Friday and is able to accommodate up to 600 tests per day.

The site will operate as an outdoor, walk-up site. Curative will have trained workers on-site observing and directing patients to complete a self-collected, shallow nasal PCR test. The test is available for symptomatic and asymptomatic people ages one year and older. Patients can expect results within 48 hours upon receipt at the lab. There is no charge for the test, but patients will be asked for health insurance information. Patients without health insurance will not be turned away. Testing will be offered as long as demand warrants.

Type of Test: PCR
