REACH YOUR TARGET AUDIENCE

More than 35 companies exhibited at UNITECR 2013 in Victoria, British Columbia, Canada

WHO SHOULD EXHIBIT

Companies who want to network and do business with refractory-related manufacturers, users, technologists, and scientists should contact us today for premium exhibit space and special sponsorship opportunities.

UNITECR conferences are designed for manufacturers, scientists, engineers, and industry professionals interested in the science, production, and application of refractory materials.

Attendees are involved in materials development, formulation, production, and engineering of refractories for ferrous/nonferrous metal industries as well as the minerals processing, glass, cement, and petrochemical industries. Review the tentative schedule at www.unitecr2022.org.

WHY EXHIBIT?

- Promote your products, technologies, and capabilities to key leaders in refractory ceramics from around the world.
- Gain insights into future technology and business trends.
- Network with industry leaders and professionals throughout the world and share your perspective on key technological developments.
- Explore presentations by forward-looking business and R&D leaders.
- Access vital information for long-term product and technology planning.

36 Countries Participated
