

ACTSEA 2021

NOV. 15 – NOV. 17, 2021
GIS NTUT| TAIPEI, TAIWAN

7th International Symposium on Advanced Ceramics and Technology for Sustainable Energy Applications toward a Low Carbon Society

Scope & Venue

Due to the success of the last 6 ACTSEA International Symposium, we cordially invite you to attend the 7th ACTSEA. The purpose of the symposium is to bring together academics, researchers, and students, who have been actively engaged in the research and development of advanced ceramics and technologies for sustainable energy, to discuss the up-to-date progresses in all aspects of energy science & technology, and applications. The ACTSEA 2021 will be held at the Taipei City, TAIWAN.

Main Theme & Proposed Topics

Abstracts are accepted on all aspects of ceramic materials/processing for energy efficient and low-carbon economy, including:

- Thermoelectrics
- Fuel cells
- LED
- Nuclear
- Photovoltaic / Solar Power
- Battery and Energy storage
- Alternative energies
- Energy efficiency technologies and applications
- Materials with higher performance under extreme conditions (temperatures, speeds...etc.)
- Materials and Technologies for a low carbon, sustainable society

English is required for abstract, papers, posters and oral presentation.

Important Dates

- | | |
|-----------------------------------|----------------------------------|
| • August 15, 2021 | Abstract Submission Deadline |
| • September 10, 2021 | Notification of Acceptance |
| • October 15, 2021 | Early-Bird Registration Deadline |
| • November 5, 2021 | Final Program |
| • November 15 - November 17, 2021 | Conference Dates |
