CONNECT WITH YOUR INDUSTRY

WHO IS THE GLASS & OPTICAL MATERIALS DIVISION? As one of 10 Divisions of the American Ceramic Society, we focus on scientific research and development, application, and manufacture of all types of glass for the optical, aerospace, window, electronics, and other industries.

WHAT'S IN IT FOR YOU

- Connecting with industry professionals
- Meetings, symposia, and related events to stay current
- Access to member resources and industry publications
- Leadership development opportunities
- Awards and recognition
- Access to peer-review journals
 - *Journal of The American Ceramic Society*
 - *International Journal of Applied Ceramic Technology*
 - *International Journal of Applied Glass Science*

ceramics.org/gomd

WHO IS ACERS? We are an international society serving the engineered ceramic and glass industry with more than 11,000 professional and student members in 70 countries.

The American Ceramic Society **Glass and Optical Materials Division . . .**

... HELPS YOU EXPAND YOUR NETWORK IN YOUR INDUSTRY

Flagship meeting

GLASS AND OPTICAL MATERIALS DIVISION MEETING

- Network with international researchers from industry, academia, and research labs
- Poster sessions highlight work of rising researchers
- Career and publishing workshops for grad students and young professionals

BUT DON'T TAKE OUR WORD . . .

LISTEN TO WHAT OUR MEMBERS ARE SAYING:

"The opportunities for division leadership and programming offer many ways to be engaged in the health and future of this great organization."

– Randall Youngman, Corning, Inc.
